

STONE PATTERNS

Natursteine für die Gestaltung Ihres Hauses

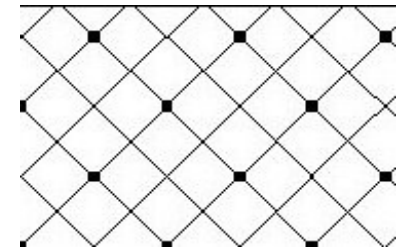

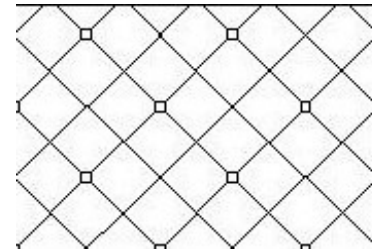

Bulgarian Vratza Limestone collections;
(Euro Beige/Euro Clear/Bianco Gris/Pewter)
with rich variety of patterns come as best floor
option for your house.

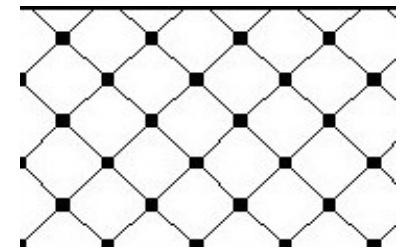

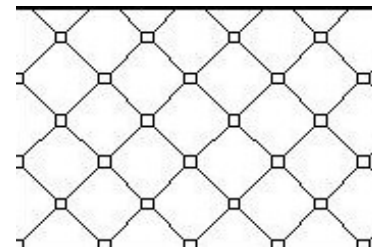

If you're looking for flooring that is beautiful, unique
and timeless, then our stones may be the answer.

There are so many choices of planking and floor pat-
ters that we could produce for you, any custom de-
signed pattern and specific sizes could be manufac-
tured as well.

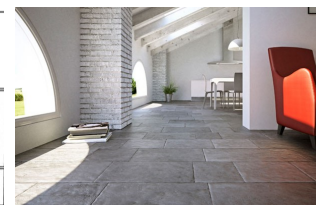

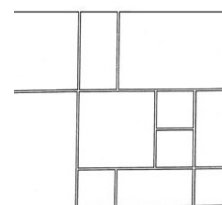

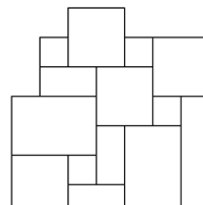

Please provide your design drawings or visit our dis-
tributors showrooms to obtain detailed information
for our regular patterns and stones.
You'll discover a good option for your house floor.
